Whew! We made it safely through March, April, May, June, July, August, and now halfway through September. It has been interesting, strange, terrible, possible, and really BIG, but we ALL got through 'these' months. I hope the Fall months will be presented to you in beautiful color and I hope you will continue to stay healthy, strong, safe, and in love with yourself, family, friends, and an occasional stranger. If you decide to visit with us this year, thank you. If you decide to wait until 2021, then we will wait patiently for your return.

Our Caesars Entertainment and Eldorado casinos are now more comfortable with dining options -we now offer indoor dining (and outdoor)- and refreshments -we now offer refreshments on our casino floors-. So, thank you for your awesome patience as our state, city, casino resorts, and businesses get back to some normalcy. Though our casinos are giving it there all, it is very important that each of us does the same. -When traveling together let's practice our social distancing, where our pretty masks, sanitize our fabulously perfect MEGA hands, and never ever touch any of our sweet holes; ears, nose, mouth, etc., with dirty fingers.

With that, masks are still required at all of our casinos - and they are very much present-, sanitizing stations are offered throughout the casino and hotel, table games have plastic partitions; seats have been removed to confirm social distancing, banks for slot machines are also practicing social distancing; seats have been removed and connected slot games have been turned down.

Your trips for the rest of 2020, have been scaled back to not overwhelm your senses and also to prepare you for a very adventurous and fun 2021. With Caesar's Entertainment and Eldorado becoming a MEGA of casino travel options, you and I have our jobs cut out for

your bums for 2021. -I made a little rhyme, haHA!-

Finally, when 'you' are ready then we would love your visit, would love you to have a Brazen time on your visit(s), and would appreciate knowing you felt safe while traveling to and fro with us. **If there are questions on the new protocols, our properties, future trips -not seen here-, or you would like to book something just busy my phone.**

*Be Well. Be Safe. Be Perfectly You!*
